

# THE CARD COLLECTOR'S BULLETIN

Volume XI

October 1, 1948

Whole No. 56

## AMERICAN LIEBIG CARDS

Bulletin #46 contains a short resume of Liebig issues. These cards are international in scope, but the catalog number H449 refers only to the sets issued in America - a comparatively small part of the total. American issues have backs printed in English, although many of them (the faces, at least) were printed in France with French picture titles.

These cards have received much attention by British collectors in recent months, and our friend Mr. C. Glidden Osborne has done considerable research on them. The leading catalog is the 1933 Janssens (Belgium) and Mr. Osborne can supply copies of this at the cost of \$2.50. The Liebig Company has again resumed the issue of card sets.

The following brief checklist shows the sets seen in America. Sets 1-7 are 12 cards each, all others of 6 cards. Sets 1-6 are mostly designs of children in various activities. The sets are listed in the approximate order of issue. No. 1 is No. 25 in the Janssen catalog.

Early sets (among the first hundred of Janssen list):

1. Inscribed only "ASK for LIEBIG COMPANY'S Extract of Meat" in oval pattern. Printer-Testu & Massin, Paris (on back). Slightly smaller card
2. Inscribed as #1 plus "Consumption increased tenfold since the foundation of the company" (both usually in oval pattern). Slightly larger than normal. Printer: D. Hutinet (on back of card).
3. Inscribed as #2 (both inscriptions in oval pattern). Gold background. Vallet, Minot et Cie, Paris (below picture).
4. Inscribed as #1 plus "Annual sale FOUR MILLION JARS". Vallet, Minot.
5. Inscribed as #1 plus "Annual sale FIVE MILLION JARS". Testu & Massin.
6. Inscribed only "ANNUAL SALE SIX MILLION JARS". Testu & Massin.
7. PASSPORT SET. Inscribed as #1 & #6. D. Hutinet.
8. PIERROT SET (clowns). Inscribed as #1 & #6. Baster & Viellemaard.  
(#6 & #8 are commonly seen in quantities of 9 and 3 respectively but probably are the usual 12 and 6, but perhaps not in this country).

Sets inscribed "Annual Sale Seven Million Jars":

9. Japanese Types set. P. Mouillot.
10. YOUNG HUNTERS SET. (En Avant, etc.) Testu & Massin.
11. YOUNG LOVERS SET. (Mal Garde, etc.) T&M
12. FLOWER-GIRL SET. Girl with body of flower. (not named) D. Hutinet.
13. PLAYING INDIAN SET. (En Visite, etc.) T&M.

Sets inscribed "Annual Sale Eight Million Jars":

14. BUTTERFLY GIRLS SET. Gold bkgd.
15. PUNCH SET. Romanet et Cie.
16. first BIBLE SET. Romanet. Jar at right of picture.
17. Second BIBLE SET. Romanet. Jar at left of picture.
18. AESOP'S FABLE SET. Edit. Compagnie Liebig, Anvers.
19. CHILDREN ON GLOBES (earth). Testu & Massin.
20. MATRIMONIAL MOON SET. Champenois et Cie. Overlaid card design.
21. INSECT-GIRL SET. Hutinet. Girl with insect body.
22. GAMES AND CIRCUS SET (children) Blue background.
23. ARTISTS BY CANAL SET. Liebig-Anvers.
24. WINTER SCENES SET. Liebig-Anvers. Mica snow on cards.
25. First BIRD-GIRL SET. Romanet. (girl with wings) Mesange, etc.
26. Second BIRD-GIRL SET. D. Hutinet. (Faisan dore, etc).
27. ALI BABA SET. Liebig-London.
28. TWO FISHERMAN SET. Liebig-London.

29. JAPANESE MOON-GIRL SET. Vielllward & ses fils, Paris (large moon).
30. First MILITARY SET. Anvers. Printing top and bottom of picture.
31. Second MILITARY SET. Printing both sides and bottom of picture.
32. FINE ARTS SET. Romanet. (Music, painting, etc)
33. ROBINSON CRUSOE SET. Liebig-Anvers.
34. SOLDIERS SET. Liebig-London. Gold edge. (Angelterre, etc.)
35. CALENDAR SET. Liebig CO. London. (Calendar Jan.-June 1887)
36. QUEEN VICTORIA SET. Liebig-London. Slightly larger card.
37. SECOND FLOWER-GIRL SET. Liebig-London. Gives name of flower.

Sets not showing consumption data:

38. FINE FOWL SET. Liebig-London (Truffled Turkey, etc dishes)
39. GULLIVER SET. Liebig-London
40. GNOMES SET. Liebig-London.
41. CHRISTOPHER COLUMBUS SET. Germany.
42. NATIONAL GIRL SET. Germany.
43. STATE GIRL SET. Germany.
44. PARIS EXHIBITION SET. A trip up the Eiffel Tower.

Sets not yet examined for consumption data:

45. ALLADIN-WONDERFUL LAMP SET.
46. ULYSSES SET.
47. CONTINENTS SET. Hutinot. (6 continents)
48. CINDERILLA SET.
49. HOP-OF-MY-THUMB SET.
50. SPORTSMEN SET. (man shoots rabbit, etc.)
51. THE WORLD TURNED UPSIDE DOWN.
52. CASTLES SET. (Fontainebleau, etc.)
53. EXPLORERS SET (Himilayas 1855-56)

Mr. Osborne gives us a list of 23 other sets which were printed in English, but none of these are known here and it is doubtful that many of them (if any) were issued in America. Titles given these sets are: Armies, German Army, English Army, Sundry Cavaliers, Puss in Boots, Negroes, The Chase, Cooks and Undercooks, Children playing musical instruments, National Dances, National Costumes, Conundrums, The Five Senses, Comical Animal series, Tournaments, Extract of Meat, Beauties with Fruits, Merchants, Carnival in Italy, Salute with Flowers, Women in different skirts, Proverbs, Sports. (All 1887-1895 issues)

The usual back inscription gives a group of recipes for Beef tea, Soups, Sauces, Night Caps, etc.-some with small illustrations. The 53 sets listed would total 360 cards. A collection of 200 is a large one and a number of the individual cards are not yet known.

BOOKS - We have for sale thousands of old and out-of-print books of all kinds. Very reasonable prices.

FREE - Countrywide search for any book, pamphlet, postcard, or other collector's item. List your wants with us.

No obligation to buy -  
We just get bids for you.

### Cigarette Stamps

Has it ever occurred to you that a few U.S. Tax Paid stamps, (the kind used on packs of cigarettes) would add an unusual "dressiness" to your pages of cigarette cards?

I have a few, of various issues, dating from the time of the first cards to the present time. If you want some, I will be glad to arrange a swap.

I also have a few political buttons, and some of various kinds, which are also available to those who want same.

In return, I can use certain cards, numbers of which will be cheerfully furnished on request.

I would also like unused Defense Savings Stamps and War Savings Stamps with the plate numbers intact on the marginal selvage. These can be purchased at your post office. (If you have a friendly clerk he will be glad to accomodate you!).

If you feel that it might be to our mutual advantage, I would be happy to hear from you.

# 1939 and 1940 STANDARD OIL WESTERN SCENIC VIEWS

While the make-up of the 1941 and later series are well known, there is a surprising lack of information as to what comprises the two earlier series of Western Scenic Views. The issuing company itself seems to have no record of this data. As far as known, no collector has them complete. This list is probably neither complete or accurate.

The 1939 and 1940 titles are often confused with each other, and to some extent, with the 1941 titles. These two early years have an overall size of about 9 by 12 inches with the 1939 very slightly the larger. 1939 were issued only in Arizona and Oregon, and descriptive line at the bottom begins "See Arizona" or "See Oregon". In 1940 it begins "See Your West". Both years pictures came in an envelope, white in 1939, gray in 1940. Titles below are as on the picture, not as on envelope. This is important as there are several variations. Especial thanks to Mr. H. F. Kenworthy and Mr. Ed. Whittaker for assistance in compiling.

1939 - See Arizona:	6 Saguaro Cactus	II Crater Lake
1 Apache Trail	7 San Xavier del Bac Mission	12 Mt. Hood
2 Canyon de Chelly	8 Superstition Mountain	13 Oregon Coast
3 Grand Canyon	9 Tumacacori Nat. Monument	(beach view)
4 Oak Creek Canyon	See Oregon:	14 Waterfall near
5 Painted Desert	10 Columbia River Highway	Wallowa Lake

1940 - See Your West:	23 Mormon Temple
1 Apache Trail	24 Mother of California Missions
2 Bryce Canyon	25 Mt. Baker
3 California Orange Grove	26 Mt. Lassen
4 Carlsbad Caverns	27 Mt. Rainier
5 Chiricahua	28 Nunn Pali, Hawaii
6 Coeur d'Alene Lake	29 Oak Creek Canyon
7 Columbia River Gorge	30 Old Faithful
8 Death Valley	31 Oregon Coast (scenic)
9 Diamond Head	32 Painted Desert
10 Glacier National Park	33 Pyramid Lake
11 Grand Teton Nat. Park	34 Redwood Highway
12 Half Dome, Yosemite	35 Rocky Mountain Nat. Park
13 Hanalei Valley	36 Rogue River
14 Harrison Lake, B.C.	37 Sawtooth Mountains
15 Juan de Fuca Strait	38 Sequoia Nat. Park
16 Lake Chelan	39 Snowmass Valley
17 Lake Crescent	40 Southern California Beach
18 Lake Mead	41 Taos Pueblo
19 Lake Tahoe	42 The Alamo
20 Malahat Drive, Vanc. B.C.	43 Wallowa Lake
21 McKenzie River	44 Zion National Park
22 Mesa Verde Nat. Park	

Several other titles have been reported for 1940 but cannot be confirmed and are likely 1939 or 1941. Because of the scarcity of these years, a valuation, with envelope, of \$1. for 1939 and 50¢ for 1940 is probably none too high. Hawaii and Canada titles and one or two others are probably worth more. Contrary to predictions, there was no new issue in 1948, although one or two areas gave out some of the 1947 series - possibly reprints or remainders. These are extremely expensive things to produce and probably will not be continued yearly.

The catalog figure of 20¢ is probably a fair average value for other years, although the small 1942 issue is scarce and certain titles of other years likewise. The 5 1942 titles are: 1) California Poppies. 2) Mount Hood. 3) Mount Rushmore. 4) Mount Timpanogos. 5) Pyramid Lake.

### METROPOLITAN NOTES

Big news this month is that due to the generosity and public spirit-  
edness of John D. Wagner the Metropolitan collection will include a copy  
of that much wanted T206 Hans Wagner card. Mr. Wagner realized that  
the collection should have this card and offered his copy to complete  
the set. This is the original "discovery" card which Mr. Wagner first  
spotted among his duplicates. Early lists of the set did not mention  
this title and it came near being traded off without being noticed.  
Since then, one or two others have been found but the card remains in  
such demand that several copies could easily be sold at the catalog  
value of \$25. or more. It has been mentioned numerous times in the  
Bulletin and its story is quite well known. Mr. Wagner is also allow-  
ing me to check his Goodwin baseball photos for additions to those  
already in the collection. This will be done before the set is mounted  
and will make it the finest and largest lot of this series known.  
Collectors and baseball fans for many generations to come will thank Mr  
Wagner for seeing these cards. Knowing John personally, I'm sure he  
will achieve happiness in knowing that these treasures will be carefully  
preserved and will bring pleasure to so many in the years to come.

Probably nobody will ever know just how many of the small Kinney  
photo actresses (#245) were issued. I spent the Labor Day weekend sort-  
ing through an accumulation of about 4700 and found 86 new ones to bring  
the collection total to 2037 different. However, 80 of these are what  
might be called minor varieties, being mostly differences in enlargement  
of the same negative, so the total of actually different poses remains  
at 1957. I would guess there may be a hundred more designs in the  
series but few of them are likely to be added to the collection as it  
would require an average of about a hundred cards to yield one addition,  
and at that rate it is a slow and costly job.

I did not expect that any of the missing Duke items would be sent in  
for the collection as most of them are just too scarce to be found  
quickly. Then, too, I couldn't go into detail on many sets, like the  
Tinted Photos, where lists are as yet impossible, or some of the larger  
cards, where there are many frame varieties. I was gratified, though, to  
have several tell me they had looked for the missing items, especially  
Mr. Osborne, who wrote a special letter regretting that he had found  
nary a one after a careful search. The lists, however, will serve to  
show what is lacking and in time, I hope, will bring some results.

Mr. Mayor reports that the last of his vacations is now over (he  
takes a week at a time scattered through the summer) and I am planning a  
quick trip to see him early in October. I want to say that the delay in  
starting the mounting work has not been his fault. Several times he has  
been on the point of ordering material but each time I have advised  
delay - with long letters which were probably more confusing than enlig-  
htening. Very soon, I'm sure, the work will begin and before Spring will  
be going faster than I can send additional material. J.R.B.
